CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: January 2015

Void After: January 2016

Product: Showers (Plastic)

File No. 9025

Issued To: Lg Hausys Ameica, Inc.
900 Circle 75 Parkway
Suite 1500
Atlanta, GA 30339

Identification: Plastic showers shall be marked with the manufacturer's name or registered trademark or, in the case of private labeling, the name of the customer for whom the fixture was manufactured. Products that do not comply with one or more of the dimensional requirements shall be marked with an "N" to indicate the non-standard nature of the fixture. Markings shall be permanent, legible, and visible after installation. Packaging shall be marked with the manufacturer's name or registered trademark or, in the case of private labeling, the name of the customer for whom the fixture was manufactured; and the model number. Product shall also bear the UPC® certification mark.

Characteristics: Plastic shower units with or without walls manufactured integral with the shower; or as a multi-piece unit distributed as part of the shower unit. Showers intended for installation against a wall shall incorporate an integral, factory applied nailing flange in accordance with the latest edition of CSA B45.5/IAPMO Z124. Showers without nailing flanges are listed as drop-in units only and are not to be installed against a wall. To be installed in accordance with the manufacturer's instructions and the latest

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
